Homecoming Weekend

"SENIORS! SENIORS!" was the bellowing sound that filled the halls of Duxbury High School at 7:30 on Friday, October 6th. For the seniors, decked out in long, flowing robes, were now entering the gymnasium. They paused at the entrance for a moment or two, then paraded around the gym showing just how awesome they were. Varsity Sports' Weekend had begun. The varsity teams were introduced by their respective captains as team, class, and spirit overwhelmed the gymnasium. Finally, the highlight of the evening arrived when football captains Joe McCarthy, Ryan Cavicchi, and Mike Hanlon were called down to introduce the Dragon starters who would clash with the Blue Devils of Randolph the next day. The night drew to an end.

Now it was time to get serious. It was 1:30 and kickoff time. The Blue Devils were more than ready for the Dragons; but there would be no stopping the mighty Dragons this day. Their offense scored early and often, and the highly skilled defense shut down the Blue Devil attack. When the final whistle blew, the Dragons ran off the field, heads high and once again winners. The Green Dragons had sent the Devils to Hell. -Kevin Williams.

Jenn Hannon, Maureen Lawless, Shannon Boyd, and Kim Adler: "How do we look?"

Abby Brothers and Chris Keller: "Come on, Chris, smile for the camera!"

Dan Coakley: "I am the Greatest!" with followers Kevin Williams and Friend Weiler.

"We are the Seniors, the Mighty Mighty Seniors!!"

"Hail, Hail, The gang's all here!"

I sit in silence,
Staring at a blank wall,
The white turns gold, then red,
Red is the color of fury, of war and of hate, I recall.
I flash it green.
Green is the color of simplicity and nature; of life.
But with life comes death and sorrow
A shadow passes over the wall.
I try to will it back to white.
White: the color of innocence,
Before it turns corrupt and sour.
It shows no color, just an emptiness
Shallow
I close my eyes and decide
I will buy a picture to hide
What I no longer wish to see.

SOMETIMES YOU KICK, SOMETIMES YOU GET KICKED

With seven starters returning from their 1988 Division II State Championship team, the Dragon boys looked to continue Duxbury Soccer's winning tradition. Led by Captains elect Jon Cressman, Friend Weiler, and Mike Bonner, the Green Dragons started out on the road to the South Shore League Title. The Dragons started out slow, tying Rockland 1-1 in the season opener, but improved greatly over the next few weeks, erasing the question marks that arose after the season opener. The Dragons were led by forwards Jon Cressman, Mike Foley, and Greg Gammons who were supported by an All-Star halfback line consisting of Mike Bonner, Andy Downin, and Friend Weiler. Defenders Kevin Williams, Scott MacQuarrie, Joe Foley, and Pete Collins played solid defense all season in front of goalies Sean Wenham and Dennis Moloney. Those who didn't see as much playing time as the others contributed to the success of the team both on and off the field. The Green Dragons finished the season with an impressive 15-0-2 record and were crowned (once again) South Shore League Champions. The Duxbury team placed six of its starters on the South Shore League All-Star Team, and Jon Cressman was voted the best player in the South Shore League. The Dragon Boys also established the second longest unbeaten streak in Duxbury history. From 1988-89, the Boys went 41 games without a loss. With the coaching of Foster Cass, the depth of this year's bench, and the spirit of Duxbury High School, the Dragons look to continue the winning tradition of Boys' Soccer in the years to come.

Above, Coach Cass gives same half-time pointers.

"We are number one, Hey!!"

Scott MacQuarrie: "Yes, it's true, we are number one."

EVERYONE WAS A WINNER

The Girls' Varsity Soccer Team has always been very solid, but this season they went from solid to solid GOLD. Coach Pat Shea and Captains Carla MacFarlane, Danielle Rosalia, and Sheryl Binney led the girls to a victorious season. Starting off on the right foot with a 4-0 win over the defending State Champs Rockland, this foreshadowed what was to come. As the season progressed, so did the victorious team. The Girls remained undefeated throughout the season, and clinched the South Shore League Title again. By mid-season, before they even knew it, the Girls qualified for the State Tournament, entering it with a 17-0-1 record. Now that the season was over, the girls prepared themselves for Tourney Time. The first round was a bye, and they entered the Tournament in the second round, or quarterfinals, and defeated Marian 2-0. Soon came the Semifinals, and the Girls met their match with Dover-Sherborne, by whom they were defeated. Although the Girls ended with a loss, they still remained undefeated in the South Shore League, and had one of the best seasons in Duxbury Girls' Soccer history. Senior members included the 3 captains Carla MacFarlane, Danielle Rosalia, and Sheryl Binney, Abby Brothers, Tara Pepin, Jessica Alabiso, Susan Wells, Shannon Boyd, Cheryl Horton, Jen Kassatly, Missy Harrington, and Jackie Wait; The two junior members were Nancy McIsaac and Leanne Bradley; Sophomores included Kim Fanning, Shelley MacNeil, and Ashley Weisner; and there were five freshman members: Priya Costa, Kelly Desmond, Kate Saunders, Kristen Lucier, and Megan Driscoll.

BORN TO RUN

In what was slated early on as a "rebuilding year", the DHS Boys' Cross Country team surprised a great number of people, including Coach Reggie Clark. After losing many of its top runners from the previous season, the team received the support that it needed from its youth. Led by Senior Captain Mark Johnson, along with Junior Chris Hojlo, and Freshman Brian Dowd, the team pulled off a 9-4 record, losing a tough tri-meet in Whitman-Hanson. Junior Co-Captain Peter DelPrete, Chad Luce, Dave Brough, and Charlie Bornheimer also contributed to postseason success, along with Senior Torsten Hasselmann and Chris St. Pierre. Although unable to qualify for the State Meet, the team exceeded all expectations, and looks to improve tremendously. This year's team consisted of Seniors Mark Johnson, Torsten Hasselmann, Paul Hahesy, Bruce Reed, Paul Tougas, and AFS-ers Thibaut Dlez and Sebastian Gass. The Junior members were Chris Hojlo, Pete DelPrete, Chad Luce, Charlie Bornheimer, Dave Braud, Eric Spinney, and Chris Mercer. Also contributing to the team were sophomore Scott Janousek and freshmen Brian Dowd, Chris St. Pierre, Mike Haley, Adam Kelly, and the Justins: Justin Smith and Justin Bourne. The seniors will be missed, but the juniors have high aspirations for stepping in and bringing the SSL Title back to Duxbury next year.

The Team:(frant row l-r) Brian Dawd, Chris Hajlo, Capt. Mark Jahnsan, Capt. Pete DelPrete, Chris St. Pierre;(middle raw l-r): Charlie Barnheimer, Adam Kelly, Mike Haley, Justin Baurne, Justin Smith; (back raw l-r): Tarsten Hasselmann, Sebastian Gass, Dave Braud, Chad Luce, Chris Mercer, Paul Hahesy, Eric Spinney, Matt Hemple, Thibaut Diez.

The Captains: Pete DelPrete and Mark Jahnsan.

Tarsten Hasselmann rounds the final part of the race.

Don't loak sa happy, guys!

...AND RUN

The 1989 Girls' Cross Country team had a great season despite injuries, which played a considerable factor in their running season. The team was small, consisting of only nine runners. The senior runners were led by Jen Needham, followed by Kristel Jensen, Susie Dowd, Amy Armstrong and Senior Co-Captain Lynn Williamson. Juniors on the team were Aimee Scanlan and Laura Murray, and the two Sophomore members were Co-Captain Kim Lehman and Jen Taugas. The Lady Dragons were coached by Mark Dunn, and they finished the season with only two losses.

Carss-Country Co-Captains: Senior Lynn Williamsan and Saphomare Kim Lehman.

A TEAM EFFORT

With thirteen seniors graduating from last year's team, the 1989 Dragons billed this as a "rebuilding season". Unfortunately, the team began with an 0-4-1 record. However, during the second half of the season, they were able to go six games in a row without a loss, ending the season with a 5-7-4 record (five of the seven losses were by only one goal). The team was led by senior captains and returning starters Jen Grant and Beth Murphy, who were both named to the South Shore League All-Star Team. Starting forwards included Whitney Orwig, Maureen Lawless, Kathryn McGirr and Beth Murphy. With some changes from last year's positions, this year's starting half backs were Leigh Newman, Heather Clancy and Jen Grant. At defense, starters included Aimee Casale, Cathie Cooper and Sue Milewski. Rotating in net were Jessica Cassara and Emily Barrett. Highlights of the season included ties to both league-leading Dennis-Yarmouth and Sandwich. The Sandwich game was the most exciting as Maureen Lawless converted a pass from Kathryn McGirr with only 5 seconds left to tie the game. All members of the team contributed to games throughout the season. Coach Saggese can definitely look forward to a successful season for next year!

ANOTHER SUCCESSFUL SEASON

Once again, the Girls' Swim Team had a great year with a record of 10-2. This highly spirited group of girls showed everyone that they'd never given up despite some rough times. For the first time in its three-year history, the team lost a dual meet and the Southern Conference Championships, but this only made them stronger. The highlight of the season was at the South Sectional Meet where six girls placed in the top twelve: Susan DeLoid placed 4th and 8th, Rini Edmunds placed 7th, Dana Gaughan placed 9th, Lauren Conway placed 3rd and 4th, Laurie Miller placed 10th, and the relay team of DeLoid, Conway, Miller, and Amy Joyce placed 6th. This was Duxbury's revenge, receiving 3rd place overall, and beating their rivals New Bedford, who had edged them out by only four points on two separate occasions.

WELCOME TO THE JUNGLE

The Dragon Football team got off to a rough start in 1989, managing to win only two of the first six games. The hard-working team was victim to injuries, losing captains Ryan Cavicchi and Joe McCarthy to season-ending leg injuries. At 2-4-0, the team could have easily folded, but instead they came together and demonstrated their true capabilities. In week seven, the Dragons traveled to D-Y to face the undefeated Dolphins. The Dragons played one of the greatest games in Duxbury Football history, winning 15-14 in overtime. Offensively, the team was led by the play of backs Mike Hanlon, Karl Ohmstede, and Keith Dwyer; linemen Rob Sieminski, Mike Kelleher, and John Nichols; and receivers Jack McIsaac, Jim Sampson, and Paul Bracco. On defense, linebacker Bob Higgins, Tony Andrews, and Paul McCarthy, along with backs Ted Corrigan and Matt Mazanec all played their best! After the win at D-Y, the Dragons defeated Scituate 21-7, and are improving every day. With two games left, the team is confident in finishing the season with a winning record of 6-4.

RAH!RAH!RAH!

The season began in June when, under the direction of new coach Mrs. Bette Greene, tryouts occurred. Several new girls made the squad which meant extra hard work for all. In preparation for summer cheerleading camp we all practiced three times a week in July at 6:30 a.m. After establishing an almost completely new repertoire of cheers, mounts, and dances, we polished them during August in anticipation of football and soccer seasons. In addition to cheering at games, the girls decorated locker rooms and stands, provided the teams with good luck treats and participated in homecoming rallies. Because of crippling injuries to several key members at the end of the season, the team was unable to participate in cheerleading competition.

WINTER CHEERLEADING

Despite many setbacks during the fall season, the winter cheerleaders were back in full force. They practiced almost every day, but found it difficult to get practice space between the wrestling and gymnastics teams. This winter's squad had sixteen members. They included Seniors: Co-captains Danielle Dobecki and Katherine Hill as well as Joanne Achin, Abby Brothers, Cheryl Cenedella, and Amanda Eagan. Juniors were Nicole Tangney and Sheryl Thomas. Sophomores were Amy Brault, Megan Lawless, Keelin Moriarty, and Sarah Steinke. Freshmen were Heather Johnson, Kristen Meagher, Maureen Metzler, and Christine Zieser. Along with preparing for the hockey and basketball tournaments, the squad also worked hard on many routines which they planned to use in competition in March.

THE ROAD BACK TO WORCESTER

The 1989-90 Boys' Basketball team had a tough act to follow this year. Last year's team came home with DHS's first state title in basketball. Losing seven players to graduation meant that the remaining players had their work cut out for them. With only four varsity players returning, nobody knew if the Dragons could do it again in 1990. But they have one BIG factor on their side. A 6'9" factor, to be specific: Boston College-bound, all-everything senior Bill Curley. The only question is: "Can Curley carry Duxbury alone?" Coach Reggie Clark's answer is seniors Chris Keller and Scott MacQuarrie, two players whose outside shots are like money in the bank. Along with seniors Nate Thorn and Mike Bonner, these starting five would be expected to play the majority of each game. With reserves seniors Joe Mattivello, Jay Cobak, and Chris Doherty; juniors Charlie Bornheimer and Chad Luce; and sophomores Brian Rountree, Jon MacQuarrie, and Andrew Whiteley; the team was ranked #1 in the Eastern Mass. Pre-Season. After a tough regular season schedule and the Seagull Classic Tournament in Philadelphia, Reggie's boys should be ready for the post-season tourney, and come home from Worcester with back-to-back titles.

GIRLS' HOOP

Captains Tara Pepin and Shannon Boyd are leading the girls through a tough season. The team was off to a bad start with several injuries. Senior Carla MacFarlane, one of the team's key players, was unable to finish the season due to a previous soccer injury. However, their hopes are set high for the future, with strong JV and freshman teams. The varsity team consists of Seniors Jen Needham, Kim Lelakes, Sue Milewski, Kristel Jensen, Carla MacFarlane, Lynn Williamson and captains Shannon Boyd and Tara Pepin. Junior members are Kristen Nangle, Michaela MacDonald, Julie Osborne, and Jessica Cadogan.

BOYS' SWIMMING

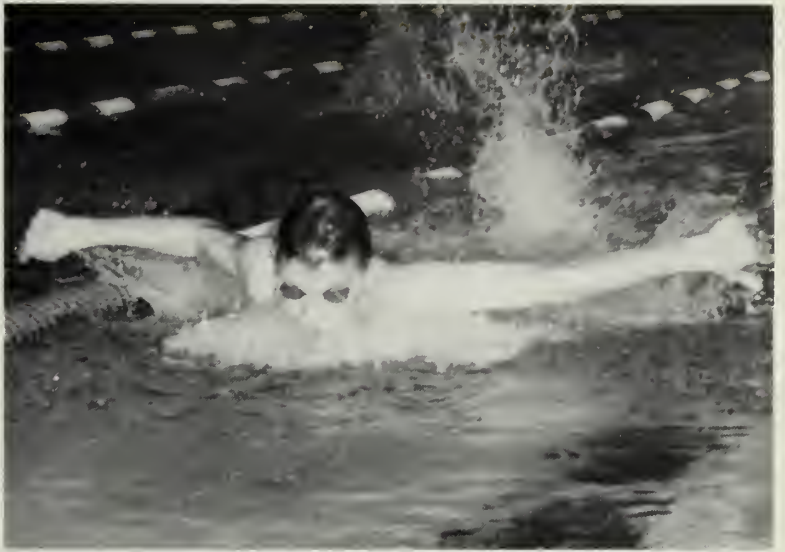

The Duxbury Boys' swim team had a great season this year under captains Brian Hammel and John Grandy. Coach Paul Miles had his young and inexperienced team ready against the tough Southern Conference competition. Along with the two captains, a strong cast of Matt Allaire, Brian MacKenzie, Sebastian Gass, Peter Hannon, Chris St. Pierre, Rob Rindone, Mickey O'Brien, Chris Andrew, Jordan Montminy, and Andrew Hedberg made this year's team one to be remembered.

WRESTLING

The 1989-90 season will be one of excitement and thrills. The team has a strong nucleus led by their four captains Antonio Andrews, Jon Nichols, Derek Gage, and Dan DeWolf. With the support of many underclassmen, the Dragons should have a successful season. Coaches Doug Bell and John Duffy are working the team hard. The Dragon wrestlers are anticipating a good showing at the sectional and the state tournaments, especially from the captains, who should place in the top five. Whatever the result of the season, the wrestlers live by their favorite saying: "Intensity breeds success."

GYMNASTICS

After a slow start to the 1990 season with two losses to Scituate within the first three meets, the Dragon gymnasts are coming back strong with a mid-season record of 5-2. The team is led by co-captains Amy Ferson and Jenn Hannon, along with all-arounds Jen Katz and Lori Coggeshall. The strength of these guys combined with the depth of underclassmen talent will hopefully result in an undefeated season (not including Scituate). The Duxbury gymnasts seem to be the most-spirited team in the league, and will be something to watch over the next few years.

The team: (back row l-r) Ann Cobak, Melissa Mulligan, Capt. Jenn Hannon, Capt. Amy Ferson, Amy Williamson, Colleen Coakley. (middle l-r): Laura Whitton, Jen Taylor, Kerri O'Connell, Kelly Dowd, Jen VanHaur, Jen Wellman, Leslie Billingham. (front l-r): Debbie Farrell, Jen Katz, Kate Gardner.

HOCKEY

Hockey season for the Dragons has just reached its halfway mark. With a record of 10-1-2, their only loss being to Division I powerhouse Plymouth, they have already qualified for the tournament with their 4-2 win over Abington. The team has managed to get by quite convincingly with a few injuries, Chris Lambert, Scott McLellan, and Scott Erikson being the more serious of them. The offense has been headed by Jon Cressman, Peter DelPrete, and Sean Wenham, with heavy hitting and consistent defense from seniors Dave Tower and Friend Weiler. The goaltending has held strong with Jeremy Starr and Colin Heward splitting the games. The team looks forward to finishing up the regular season with excitement, in hopes of the tournament taking them to BU.

Band and Color Guard

The Marching Band, 85 people strong, improved greatly this year and reached their peak just as the season ended. Not only did they play well but they formed many intricate designs on the football field. The colorguard also had a good year and were able to perfect many tricky moves which was thought to be impossible last year. The Marching Band has come a long way this year and they definatley held their own with the best of their division. With improvements made this year it is assured that they will be even better next year.

ART CLUB

The purpose of the Duxbury High School Art Club is to beautify the school. Under the leadership of President Kyle Roberts, Vice President Glenn MacGarvey, Treasurer Gareth Collins, and Secretary Carey Bazley, this year several new projects have been planned. In late fall the Art Club finished painting the underwater mural in the Foreign Language Hall. The Cafeteria Mural will also be completed this year. The major project of the year is to set up a Student Art Gallery in the area at the top of the stairs in the main lobby. Soon a dozen good sized frames will be mounted on the walls in which the art work of the talented students in our school will be exhibited. Also planned for the area are sculpture stands and benches to sit on.—Kyle Roberts

OUTING CLUB

The Outing Club planned several trips this year including a hiking trip to the White Mountains in the fall, a ski trip to Waterville Valley in February and, in April, the Third Annual Tuckerman's Ravine hiking trip. The spring also provided the opportunity for a bike trip on Cape Cod, a fresh water fishing trip and some local hiking. And that Rock Quarry climb for the real adventurous is still very important for Ms. Hibbett!

PROM COMMITTEE

The 1989-1990 Prom Committee worked hard this year to make the 1990 Junior Prom the best ever. Led by the elected chairmen Margot Salmela, Glenn Frazier, and Heather Foster, the Junior Class had many meetings to work out the details of the prom and put in a lot of time and effort to make it a memorable night for all who attended. With the help and support of the Advisors, Mrs. Vangel and Mrs. Smith, as well as the creative genius of Mrs. Austin, planning for this special evening was much easier. Such a big event as a prom required the juniors to come together as a class and a lot of cooperation was necessary not only in planning and decorating but also putting on the many fundraisers that it takes to finance the Junior Prom.

SENIORITIS threatens Academic Achievement

Senioritis (seen-yer-eye-tis)

DEFINITION: Senioritis is a problem that affects students in their fourth and final year of high school, although the symptoms may appear as early as the freshman year.

WARNING SIGNS:

FIRST STAGE: The disease is broken down into three stages, the final of which resembles laziness. In the first stage, the victim tends to slow in his or her production of homework. The mind wanders and in some cases the victim begins to arrive to class after the late bell rings. Many times the victim is induced into a state of sleep, but only between the hours of 7:35 and 1:50.

SECOND STAGE: As the problem develops, sleeping late becomes the rule rather than the exception and the victims tend to be late frequently. Homework production slowly comes to a halt and books tend to remain in the victims lockers, if they haven't already been lost.

THIRD STAGE: At this point the victim experiences a complete withdrawal from school-related activities.

CURES:

Rumors tell us that time at the beach and parties will cure Senioritis, but the only proven cure for this ailment is GRADUATION!!!!

Bonnie Ramsey and Amy Davis: suffering from Senioritis

YOU KNOW YOU'RE A SENIOR WHEN...

- You leave your books at home... and don't even care
- You start writing your own excuses
- You consider gym an academic course
- You join every club possible just so it will look good on your transcript
- You have a stamp of your parents signature
- Your GPA is below "C" level
- Your books look as new in May as they did in September, that is if you still have them!
- You call your teachers by their nicknames
- You don't wake up until fourth period
- You've mastered all of your teacher's signatures
- You've heard all of Mr. Birge's war stories
- You start counting how many days are left of school on September 9th.

YEARBOOK

This year the yearbook staff worked very hard to create "Yesterday". Many meetings were held afterschool and at night and it was during these meetings that these previous pages began to materialize. With the help of our two advisers, Mrs. Salmela and Mrs. Johnson, and our Ads Adviser, Mrs. Mulcahy, we combined efforts and "Yesterday" was formed. This years' staff included Cheryl Horton as Editor-in-Chief, Kevin Williams as Copy Editor, Dave Metzler as Layout Editor, and Whitney Orwig as Photo Editor. Other members included Chris Bird, Jenny Chandler, Jenn Han-non, Tabitha Kent, Colleen Lawrence, Maureen Lawless, Karen Nelson, Sarah Parrino, P.J. Pescarino, Margot Salmela, and Maya Strasser. Many other students contributed to this book on many occasions, helping with photos, stories and layouts. Many thanks to all those that helped; You are all a part of this yearbook.

Yearbook Editors: Kevin Williams-Copy Editor, Cheryl Horton-Chief Editor, Whitney Orwig-Photo Editor, and Dave Metzler-Layout Editor

Chris Bird and Maureen Lawless: Do they know what they're doing?

Remember . . .

Backyard picnics, matchbox cars, N.H. vacations, Sesame St., Calculus, Ireland.

Shoveling show, awards, our own skating rink, tournaments, Grandma.

The beach, Easter baskets, Little League, the Ritz, disappointments.

Christmas, tennis rackets, studying, pig-piles on Dad, friends, "all-nighters".

Sunday morning — church and doughnuts, driving lessons, trying, laughing, striving.

Family — Eddie, Colleen, John, Mum, Dad.

So many treasured memories. The laughter, the worry, the joy, the anticipation, and all of those practices, practices, and more practices! We wouldn't have traded a moment.

We are confident that your future will be bright.

We love you.

BACCALAUREATE

On June 7th, the Senior Class came together at Holy Family Church for their Baccalaureate. Many members of the Class of '90 chose to speak, to share their feelings on graduating, saying goodbye to Duxbury and hello to a whole new world which lay before them. Some aroused laughter, others brought tears, but all of those who participated were excellent and made the 1990 Baccalaureate a great success and a wonderful beginning to graduation weekend.

SENIOR NIGHT OUT

"Party" is the one word which sums up the class of '90s Senior Night Out. With Mr. Fernandez and Co. as the Disc Jockey, the class of '90 spent the entire night on the dance floor. Rarely did they step off, and when they did, it was only for a brief moment to cool off. All had fun as it was one of the last nights they would spend together as a class.

GIRLS TENNIS TEAM STAYS ON THEIR TOES!

(Above, back row, left to right) Head Coach, Faith Hehghan, Amanda Mahoney, Kerri Nangle, Megan Leydon, Sarah Benjes, Helen Cushing, Sarah Parrino, Tabitha Kent, Margot Salmela, Jenny Chandler, Kristen Lucier, Kim Crawford, Assistant Coach, Mary Mahoney (front row) Heather Johnson, Stacey Bartlett, Kenley Brozman, Co-Captains, Tara Pepin and Danielle Dobecki, Heather Ceccarelli, Deanna Lawrence, Megan Driscoll.

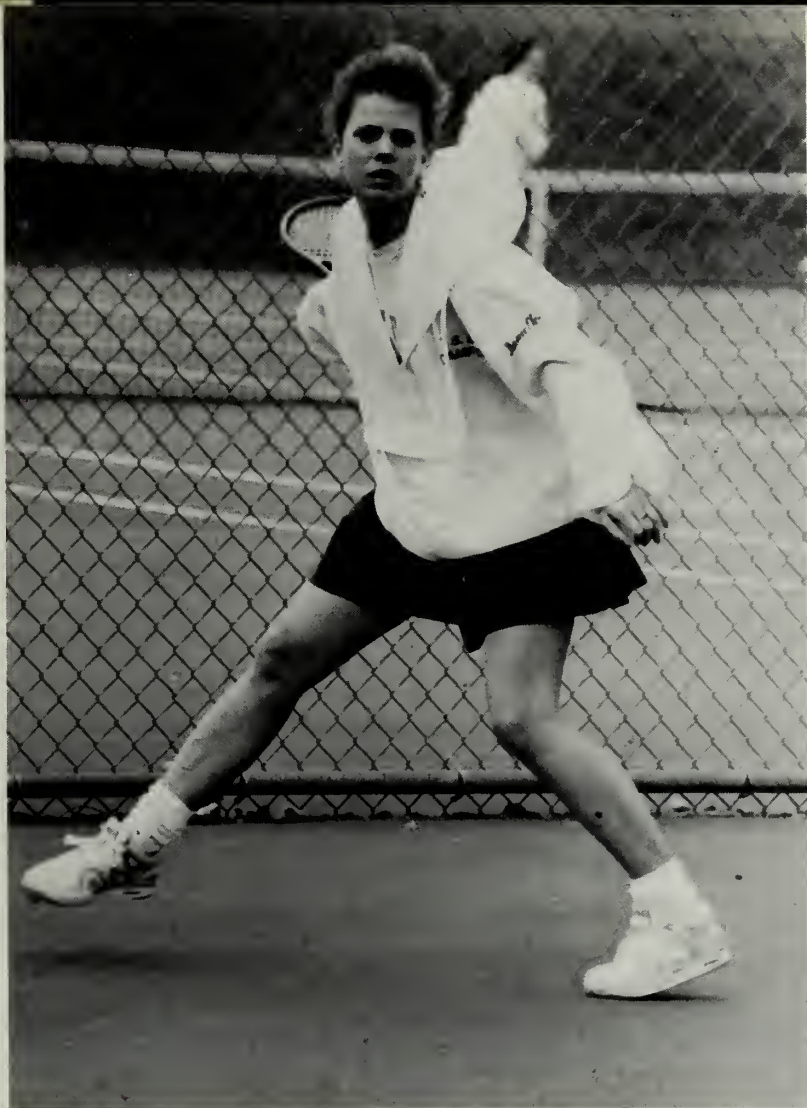

The 1990 Varsity Girls Tennis Team had yet another successful season. The team finished with only one loss, a tough one to take, since it was their first in fifty-five matches. However, the Green Wave soon avenged by defeating Scituate on their return match, to clinch the South Shore League Co-Champion Title for the third year in a row. The Dragons were led by the only two seniors on the team, co-captains, Tara Pepin at first singles and Danielle Dobecki at second singles. They were backed up by juniors Sarah Parrino at third singles, and Tabitha Kent and Margot Salmela, at first doubles. At second doubles, the Dragons had sophomore Sarah Benjes and freshman partner Kristin Lucier. The girls hope to continue their success and they all look forward to an undefeated season next year.

STATE CHAMPS! WHAT A RACQUET!

The 1990 Duxbury Tennis Team had a very special year - an undefeated season (26-0), making them Duxbury's only State Champion this year. After three years of flirting with the title, the Green Dragons, after a series of grueling tournament wins, defeated Holyoke in the state finals at Holy Cross.

This past year the starting players consisted of six seniors. The lineup consisted of Dan Coakley at first singles, Marc Brennan, and Chris Bird and Ron Lelakes played second doubles. Other big contributions were made by Todd Harrington and Andy Whitely at doubles and by Jason Isherwood at singles. The team also looks for members Bobby Murray, Tim Malloy, Darren MacLaughlin, and Chris Hojlo to be a big part of the upcoming season.

OFF THE BEATEN TRACK

(Left) Andy Downin, Duxbury Track's star runner, competes in the 4 by 440 relay.

Though the small town of Duxbury is considered by many to be off the beaten track, DHS's runners seem to be right ON track. Head Coach Verrochi said that this year's team is "young" and that the goals at the beginning of the season were to "rebuild and revamp". He also said that there is much potential in the up-and-coming Dragon crew; and, though pleased with this year's stats, Mr. Verrochi sees even brighter days of running, throwing, and jumping in the future.

Both the boys' and girls' teams have League records of 3-5, and many tracksters have qualified for the State Championships. Stand-outs for the girls team include: Micheala MacDonald in the high jump, Jessica McClusky in the 330 high hurdles, Shannon Boyd (Captain) in the low hurdles, Kim Lehman in the 440, and Jen Needham (Captain) in the 2-mile. Some of the boys' stars include: Andy Downin who holds the National Title in his age group for the mile, Antonio Andrews in the shotput, Keith Campbell in the long jump, Dennis Malo in the high hurdles, and Ted Corrigan in the low hurdles.

ON THE BALL

The Duxbury Girls Softball Team encountered a challenging 1990 season, but apparently enjoyed winning many games that came down to the last inning. An exciting win over Marshfield was proclaimed the "COMEBACK OF THE YEAR" by the Boston Globe. Coach Shea and co-captains Jen Grant and Susie Dowd, the team- Kim Lelakes, Danielle Longley, Carolyn Pizura, Jenna Vajcovec, Kristen Powers, Kim Fanning, Jamie Kane, Kelly Desmond, Jess Tighe, Becky Dubray-played to win every game until the last out, completing a respectable season.

A STRIKING RESEMBLANCE

The Duxbury Dragons, led by co-captains Joe Mattivello and Paul Bracco, ended their season with a 7-9 record. Both captains dominated at the plate as well as in the field.

Chris Mannis, Tom Burke and Rob Simenski all had an exceptional year. Both Brian Casey and Sean McCarty called many good games from behind the plate.

The strong pitching from Bill Delorenzo, Matt LaGreca and Dave Luscko along with Nick Petronelli, Greg Dorn and Jay Norcross should equal another great season next year.

PLAYIN' AROUND

"Annie" , starring Missy Schortmann (Annie), Roger LaGreca (Daddy Warbucks) and Kim Meyer (Miss Hannigan) made its appearance at DHS on March 29 through April 1. Having a cast and crew of over 90 people including students from DHS, DIS, Chandler and Alden and a few lucky town celebrities, "Annie" was filled with clever songs and great acting. Background music was provided by a twenty two member orchestra. "Annie" was a roaring success, generating a great profit and a standing ovations.

The Spring Festival of Plays was performed on May 11 and 12th and included plays from several colleges. One play, "A Contradiction in Terms", written by Rod Alonzo, discussed the philosophical question, "What is Evil?" The hilarious farce "A Marriage Proposal" walked away with three awards for its three major roles. This charismatic play kept the audience in stitches. The bittersweet comedy "Baker's Dozen", provided stunning performances by Colin Arpe, Dennis Malo, Kim Meyer and Eric Gaynor.

FOREVER YOUNG

The 1990 Prom was an enjoyable night for everyone. The DHS gym was truly an "Evening in Paris." between the French boutiques, the Parissienne Cafe, the red and white hot air balloon and the beautifully lit Eiffel Tower, the atmosphere was complete. To top off the evening, the evening was highlighted by the three course French meal with trays of French pastries for dessert. The Junior Class, as well as the advisors, Mrs. Smith and Mrs. Vangel, deserve a great deal of congratulations on their success. The time put in clearly paid off and resulted in one of the best proms in Duxbury High School's history.

DHS GRADUATES OF 1990

On June the 9th, 1990, the 63rd commencement exercises of Duxbury High School took place in front of the main building. There were 224 students who received their diplomas. The graduates were surrounded by a crowd of friends, townspeople, families and the DHS faculty and staff.

Student addresses were given by Dov Koplovsky, Kerry Dowling and Gary Wagner. The presentation of diplomas was made by Mrs. Kathleen Dowling, Dr. John Hill, and Mr. Thomas Downey, the Chairman of the Duxbury School Committee. The valedictory speech followed, given by Susie Dowd. It was a beautiful and memorable day for all.

What a crazy year! We agreed to be the Yearbook Advisors a few days before the first deadline, not knowing exactly what we were getting into. Neither of us had any Yearbook experience, which is probably why we agreed to do it!

I am so glad we did! What a wonderful group of kids we got to know. They worked together beautifully and they really produced an outstanding yearbook. It was a hectic year, but it was a fun year too. We laughed a lot, we worked hard to meet those horrible deadlines (I still will never understand the reasoning behind a December 25th deadline.)

Thanks so much for giving us the opportunity to work with all of you. Best wishes to the seniors - Cheryl, Kevin, David, Chris, Jenn, Abby, Shannon, Maureen, and all the others who contribute. We look forward to working again with the underclassmen. You are an exceptionally talented group of students. Best of luck with all your future challenges. May your life never have another December 25th deadline!

Nancy and Deni
Yearbook Advisors

As Editor-in-Chief of the 1990 Duxbury High School Yearbook, I would like to thank all who made it possible. This yearbook is the result of an entire year of hard work by many dedicated people. Without our great advisors, Nancy Salmela and Deni Johnson, we could not have produced the quality yearbook that we did. On behalf of the entire staff, I offer them great thanks for all the time they put in and all the extra things they did like typing copy and taking pictures. I thank the entire staff and especially Photo Editor, Whitney Orwig (next year's Editor-in-Chief), Layout Editor, Dave Metzler, and Copy Editor, Kevin Williams for all their work in putting everything together. Also, to Deni Johnson, Fran Nicholls and all the other people who submitted pictures for use in the yearbook, thanks for giving us access to the great pictures which now appear on the pages of the Partridge. Much appreciation goes out to Pauline Mulcahy, the Business Advisor, and the staff, for all their work obtaining sponsors and selling yearbooks. Thanks also to the sponsors, who made the publishing of the yearbook possible.

The theme of the yearbook this year is "Yesterday" commemorating our past times at Duxbury High School and in Duxbury. I wish all of the graduates the best of luck in their future endeavors and I hope that this yearbook has captured and chronicled their best memories.
